Visiting Bands: All good

Band Fest: Final thought—all good; total profit of \$18,038!!!
Senior Banquet: Pizza came early, Talerico's came a bit late. Need to keep an eye on numbers and room in the cafeteria for this year's freshman class; if we change the menu, we need to communicate the change to the attendees; consider an alternate way to provide cold beverages because taking care of the cans/bottles is tough; also do we need to print the tickets and put in envelopes? And, consider having everyone sit in a designated section so people are not standing through the first two quarters of the game. Maybe we could use the middle school bleachers for one night?

Munching for Music: Chipotle \$717.71; Auggies on Oct 23!

Away Football Games: Still need Pit help on Thursday; not certain if we are going to playoffs yet; need to wait till after this week for sure
Maumee Contest: 9:15 performance

Home Game: Oct 24

States: Oct 25; we perform at 12:45; need Pit, chaperones are ok
